Bark Observation Adventure!

Materials Needed:

This Bark Observation
Sheet

Scissors (with adult
supervision)

Pencil or Crayon

Clipboard or Hard Surface
(optional)

Instructions:

Step 1: Cut Out the Window
Carefully cut out the window in
the middle of the sheet. Ask an
adult to help you if needed.

Step 2: Find a Tree
Go outside and find a tree to
observe! You can try this with
different trees to see the
variety of bark patterns.
